## QUALIFICATIONS

Highly motivated, fast learner, creative and energetic, with excellent communication and problem-solving skills. Knowledgeable with phones and computers, self-taught repair and diagnosis, organized and able to adapt to any environment, able to calmly work efficiently in a fast paced environment.

## EXPERIENCE

### **2019 Venezuela Food and Cultural Days — Sales Associate**

October 2019

Sold tickets to passing customers with a high level of enthusiasm for long periods of time. Tested my communication skills and welcomed customers with a smile.

### **Expo Latino 2018 — Customer Service Representative**

August 2018

Essentially ran a food stand, handling customer orders, calculating payments received swiftly, and proceeded to cook their meals. Required excellent time management and expertise.

### **Westside Recreation Centre — Summer Volunteer**

July 2017 - August 2017

Volunteered at a youth summer camp, teaching children how to navigate a climbing wall, teaching them climbing techniques, and listening to their issues.

### **Self-taught in Diagnosis and Repair of Computers**

Through my 7 years of computing experience, I have learned to maintain, diagnose and repair my own computers and have assisted in helping acquaintances handle technology issues using my knowledge and expertise.

### **Self-taught in Diagnosis and Repair of phones**

Taken apart and diagnosed iPhones, samsung phones, and a variety of cellular devices. I have repaired LCD displays, batteries and charging ports. All were my own personal devices using methods that I have researched and practiced on myself using the internet.
